Connect with ATA six different ways

Get the information you need—when you need it! Through our website and our Document on Request system, ATA can provide immediate responses to your requests. Or contact us by phone, fax, or mail.

Documents on Request: (888) 990-3282

Request documents from your phone or fax machine. Just call the Document on Request number and request Document #1 for a complete directory of available information. The directory and any documents you request will be sent immediately to your fax number.

Website: <http://www.atanet.org>

Visit ATA's website for up-to-date news and information.
